Toilet Cubicles & Lockers

Cubicles are used for separation between neighboring spaces usually by partition. At Shaya Trading we make washrooms to suit all your specific needs, divided into ranges to suit your style and budget. Whichever of our toilet cubicles you choose, quality is always assured. We at Shaya Trading provide a good locker facilities which is of good quality along with western style look.

Vanities

We at Shaya Trading provide you seemingly standard cupboards with smart, unique or high-tech elements and accessories behind their doors can make a world of difference when it comes to making a bath zone more organized and user friendly.

Interior Cladding (HPL)

Interior Cladding is a wall or partition covering made traditionally using interlocking HPL or other rigid or semi-rigid components like wood, plastic, fiber etc. Many modern buildings have interior cladding in their designs in order to increase the overall beauty of the interiors.

Exterior Cladding (HPL)

We are quite elated to introduce ourselves as one of the trustworthy HPL wall Cladding. We can jazz up your residences with our experience. Many modern buildings have interior cladding in their designs in order to increase the overall beauty of the exteriors.

Wall

Wallpapers

Wallpaper is a kind of material used to cover and decorate the interior walls of homes, offices, and other buildings; it is one aspect of interior decoration. Wallpapers can come plain as 'lining paper', textured, with a regular repeating pattern design, or, much less commonly today, with a single non-repeating large design carried over a set of sheets.

We at Shaya Trading provide large variety of wallpaper for decorating your walls. We implement latest technique along with western style. Wall Papers are imported from UK and US.

Raised Floors

Raised floor provides an elevated structural floor above a concrete slab to create a hidden void for the passage of mechanical and electrical services. Raised floors are widely used in modern office buildings.

We at Shaya Trading implement latest technology and style for creating Raised floors and here we use CBI European brand in building Raised floors.

Raised Floor

Raised Floor

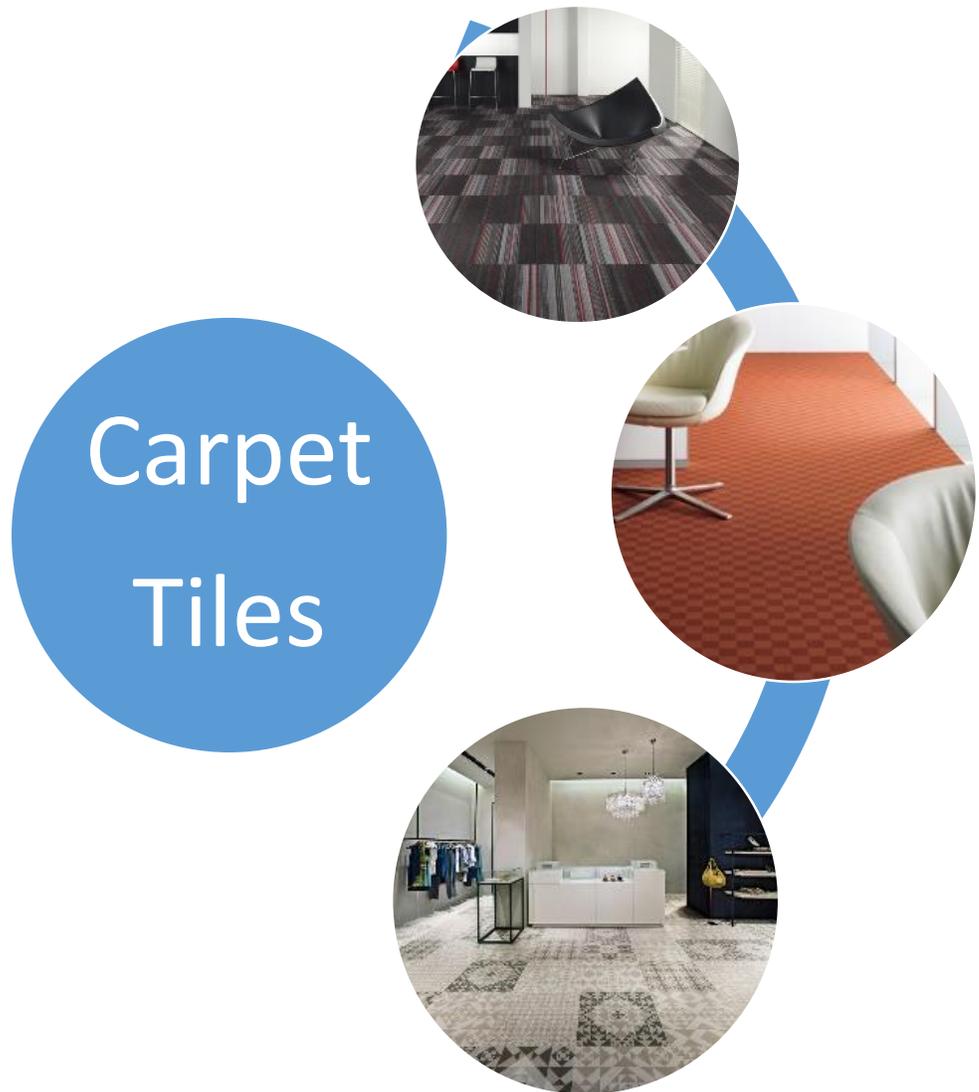

Raised Floor

Carpet tiles

Carpet tiles are the floor covering materials manufactured as square pieces instead of the usual rolled carpets. These carpet tiles are used to give to give a different look for the floors of homes, offices and others.

We at Shaya Trading provide different range of carpet tiles according to our customer's needs, and most importantly we at Shaya Trading does not compromise at quality we provide one of the best services. Carpet Tiles are imported from EUROPE and these tiles are of Canadian style which gives wonderful look to the floors.

Lab Furniture

Safety in the Laboratory is a primary concern. The Supreme air series of fume hoods meet the challenge high degree of efficiency. A wide variety of models and comprehensive option packages have been designed to enable you to tailor your fume hood to a specific application.
